

**IMPORTANT NOTICE**  
**REGARDING TRADE DAMAGE**

***THIS TRADE DAMAGE PROGRAM APPLIES TO ALL TRADES  
ONSITE AND CONSISTS OF TWO STEPS WHICH ARE AS FOLLOWS:***

**1. TRAINING:**

- a. Train and inform all craft workers on protecting installed work.
- b. Train and inform all craft workers on the use of mobile equipment in and around finished work.
- c. Schedule installation of finish work as late as possible in the construction process.
- d. Cooperation and compliance can only benefit all companies employed on the project.

**2. CORRECTIVE ACTION:**

- a. Self report damaged work to the affected subcontractor.
- b. Accept responsibility and work out the corrective action directly with the affected subcontractor.
- c. If damage is not worked out directly between the parties, Chambers Construction will direct corrective action and assign shared cost to *ALL* parties who have been working in the affected area.
